HE
RO

heer-oh

a person who, in the opinion of others, has heroic qualities or has performed a heroic act and is regarded as a model or ideal.

Hero means to possess extraordinary qualities or to perform an outstanding act that helps others. A hero saves lives, inspires people, and makes miracles happen.

"Some people quietly make a difference in our lives and will always be heroes unaware."

July 20, 2011

There are heroes amongst us who make a real difference for others. The ordinary act of making a donation to the Y can have extraordinary results and have an immediate impact on our community....the hero unaware. Whether it is helping a youngster gain valuable skills they can bring forward for a lifetime or making it easier for a single parent to find a safe welcoming environment for their child while they work, your support makes your YMCA.....*a great place to belong!* As you reflect on how you can make a difference, we hope you will consider a donation of \$100 or another amount of your choosing.

We are unique among YMCA's in New England, we don't rely upon a small handful of donors and we don't receive state or federal funding. Belfast and the surrounding towns support us responsibly, but their total contributions comprise less than five percent of our annual budget. This YMCA is supported and sustained by people just like you and your neighbors....people who work hard and want to be sure that their decision to make a contribution will do the greatest good possible. Rest assured that your investment in community through the YMCA is one of the most honorable, helpful, and important gifts you can make.

"To the world, you are one person but to one person, you are the world."

Due to your generous past support to our annual giving campaign you have perhaps given the world to another person, the opportunity to actively participate in the cluster of activity bustling in every corner of your Y! You are responsible for smiles on the faces of kids from one to ninety-two. Your Y is inclusive and alive with action. Children and adults are challenged to learn new skills, develop friendships, test themselves and their possibilities which, often pushes their limits and builds character. All of this is made possible by your vote of confidence with your financial contribution. Please donate today and make a world of difference for a child attending summer camp this year.

With appreciation,

Dale
