# PUT A LITTLE SPLISH IN YOUR SPLASH

## Family Swim Time WALDO COUNTY YMCA

Current guidelines allow families living in the **SAME** household to share a lane when swimming. So we are re-introducing **FAMILY SWIM** but we will give you the **ENTIRE** therapy pool for 30 minutes to take it over!

So come shake up your day by adding a splash of fun for your household! Call 207.338.4598 to reserve your time.

Currently we are offering the entire pool but that may change if the need for household swim increases.

Deep water bracelet must be achieved for those under age 14 to enter the deep end, ask the lifeguard if you have any questions.

Thursday (beginning January 7, 2021)

30 min reservations available between 4:00 - 5:30 p.m.

Open to Annual & 3 Month Members only at this time
